答えは  から  に入るものとして最適なものを①, ②, ③, ④の中から一つ選び、その番号を解答用紙の所定欄にマークしなさい。

*Susan asks Emily about a class she is thinking of registering for.*

*Susan:* Hi, Emily. Do you have a minute? I wanted to ask you about Mr. Jacobsen's class you took last semester.

*Emily:* Sure. What would you like to know?

*Susan:* Well, I was thinking of registering for the same class next semester. How did you like it?

*Emily:* It was pretty good. It was an online course, so it was a new experience for sure.

*Susan:* Online? So, you didn't have any face-to-face classes?

*Emily:* No, it was all conducted online.

*Susan:* I heard that some students feel they don't learn as much in online courses. Do you agree?

*Emily:* Actually, no. I found that since I could work on assignments at my own pace, I learned more than usual.

*Susan:* Interesting. I took an online course during my first year and felt the opposite.

*Emily:* Really? I guess it depends on the instructor and the content.

*Susan:* Yeah, my instructor was inexperienced. He wasn't used to using the online teaching tools. In addition, it was a Spanish language class so it could have been a content issue.

*Emily:* I see. Even experienced online teachers have similar issues. Technology can be both a blessing and a curse. Mr. Jacobsen's *Introduction to Music History* class worked well with the online format, I thought.

*Susan:* Personally, I prefer regular classes to online because I can communicate more easily with the instructor.

*Emily:* But Mr. Jacobsen was available for questions every week during online office hours or by emailing him.

*Susan:* Oh, really? Maybe I should give it a try then.

*Emily:* I think it's worth considering. You might change your mind about online classes after all.

*Susan:* I'll think about it. By the way, did you get a good grade?

*Emily:* I almost failed!

*Susan:* What? Why was that?

*Emily:* Well, I submitted my final project two days late. With online classes, deadlines are strict.

*Susan:* Good point. I usually turn in assignments on time anyway, so maybe it won't be such an issue for me.

*Emily:* Sure. When do you have to register by?

*Susan:* By the end of next week so I don't have much time.

*Emily:* Well, good luck with your decision.

*Susan:* Thanks for your input.

問 1

Which of the following is true about Emily's past online class experience?

- ① She turned in all assignments prior to the deadline.
- ② She was unable to communicate smoothly with the instructor.
- ③ She nearly didn't pass the course.
- ④ She learned Spanish at her own pace.

問 2

Why is Susan concerned about taking an online course?

- ① Because she can't speak Spanish very well.
- ② Because she can't register for the course.
- ③ Because her past experience was negative.
- ④ Because she's heard good things about Mr. Jacobsen.

問 3

What seems to be Emily's opinion about technology?

- ① It always improves things.
- ② There are advantages and disadvantages.
- ③ Most people lack experience with using it.
- ④ The advantages outweigh the disadvantages.

問 4

Susan feels she might do better in Mr. Jacobsen's class because she...

- ① has no experience with him.
- ② is good at keeping to due dates.
- ③ can meet him in person to ask questions.
- ④ has taken online classes before.

問 5

What will Susan do next week?

- ① She'll turn in her final project.
- ② She'll enroll in classes for the next term.
- ③ She'll chat with the instructor online.
- ④ She'll get her grades for last semester.

RE: Reservation Request

To whom it may concern:

My name is Justin Lake and I recently made travel arrangements for my business trip to Kuala Lumpur, Malaysia using your online portal. Unfortunately, my trip has been postponed so I need to update my reservations. I tried doing this online, but I kept getting an error message explaining that my reservation could not be changed. When I purchased the original package, I also paid for traveler's insurance so I was under the impression that changes could be made freely. Please advise me soon as the departure date is approaching quickly.

My confirmation # and travel details are as follows:

Confirmation #: ACM1099

Departure: August 10, 2020

Return: August 16, 2020

Airline: P & A Airlines

Hotel: Pan American Hotel at Kuala Lumpur

I look forward to hearing back from you soon.

Sincerely,

Justin Lake

RE: Reservation Modification Request

Dear Mr. Justin Lake,

Thank you for your inquiry. My name is Mohsen Allaran and I am a reservations customer service specialist here at Travel the World Over. Thank you for using our online booking site to make your travel arrangements.

After examining your information, it appears that the traveler's insurance you selected (Standard Traveler) only allows changes to the itinerary until one week before the planned departure date. That would explain why you were unable to perform this on our website. We apologize if this was not clear to you at the time of purchase.

Since the period for making changes has already passed, the only option is for you to cancel the reservation and book again. This can be done easily on the website. I urge you to do this as soon as possible as the amount you will be refunded decreases as the departure date nears. Please see the guidelines for this at the link below on our website:

<https://refundchart.packages.online.traveltheworldover.com>

In the future, please be advised that in order to take advantage of cancellations until 2 days before departure without a cancellation fee, you should select our Elite Traveler insurance package when purchasing, not the Standard Traveler one you chose this time.

Thank you again for your continued use of our online travel services. If you should have any further questions, please do not hesitate to contact us again.

Best regards,

Mohsen Allaran
